

4C Impact Statement: How your stay impacts nature & people

Your contribution to the local economy

Your contribution in 4C projects explained

29,6%

Researching, rehabilitating and managing critical marine conservation areas in Bintan through supporting and donating to Conservation International and Yayasan Ecology Kepulauan Riau, a conservation-focused non-profit set up by the owners of Nikoi and Cempedak.

12,4%

Running Ubah Rumah, a residence program for Southeast Asian artists and researchers who raise awareness of threatened cultures, communities and ecosystems.

58%

In 2009, the owners of Nikoi and Cempedak established The Island Foundation (TIF). The business supports the non profit through financial donations and in-kind services. Since TIF's inception, more than 3,000 local children have been taught across 12 learning centres and over 1,500 teachers have received training.

By staying with us you help

Manage **342,240** acres of marine protected area and clean up our community- more than 350 tonnes of plastic has been removed from Bintan's beaches so far.

Support more than **200+** local staff, who have an average of 4 dependents, and approximately **15,000** villagers through The Island Foundation.

Safeguard local traditions through sponsoring annual traditional boat races (jong and kelok races) within the local community.

Raise **\$337,700 USD** annually which is invested in responsible tourism initiatives at the resort, as well as donated to nonprofits set up by Nikoi who tackle conservation and education issues within Bintan.

We are a proud member of **The Long Run**, a global network of tourism businesses committed to conserving ecosystems and improving the well-being of people through a holistic balance of Conservation, Community, Culture, and Commerce. The Long Run is hosted by **Preferred by Nature**, a non-profit organisation working in 100+ countries to support better land management and business practices that benefit people, nature, and the climate.

*Method vetted by The Long Run for January-December 2019.
